Swan Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Swan Hill Primary School's voluntary financial contributions for 2024.

In an endeavour to reduce costs to our families and simplify the back-to-school process, we are pleased to advise that families will have the option to place their stationery orders online with Education Plus.

Payments for Stationery Packs for 2024, as well as Curriculum Contributions and Other Contributions can all be made via Education Plus's online Booklist ordering system. Further information on the ordering process is provided on the following page.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through financial contributions, supporting fundraisers or volunteering your time. - upgrade of our schools' provisions and facilities
- refurbish school grounds
- run enhanced Art and Science activities, above the standard curriculum
