

TERM 2, WEEK 1 - APRIL 17 2024

THE WIRAN

SWAN HILL PRIMARY SCHOOL

From Our Principal

Mrs Hayley Doyle

We welcome everyone back to Term 2! I hope everyone had an enjoyable holiday break. I'm excited to be back at SHPS after spending Term 1 on long service leave. We have a lot to look forward to at SHPS this term.

This term, Damian Mangiameli joins our Leadership Team. We know Damian will do a terrific job in this role, with his approachable, supportive and professional manner. Damian will be the Grade 3 & 4 Sub-school Leader. Lyndsey Caldwell will be teaching 6M for the next few weeks, until we have time to appoint a teacher to 6M for the remainder of the year. Mandy Molloy will also have a change in role, teaching Digital Learning lessons for the next few weeks. We are fortunate to have such a flexible and dynamic team.

We congratulate Katie Fox and her husband Riley who welcomed their first child recently - a healthy baby girl called Piper. Wonderful news!

We also congratulate Molly Henson who was married over the holiday break and will now be known as Molly Hendy. Molly will return from her honeymoon next week.

It's pleasing to note the increase in student enrolments we have had at SHPS over the last couple of years, with close to 63 more students currently enrolled than this time two years ago. The open day held in Term 1 was well attended, which is wonderful. We certainly have a very positive environment to learn and work in at SHPS.

I look forward to seeing you all around the school this term.

Are you the parent or carer of a child aged between 0-6 years?

We would love to hear from you!

In 2019 Swan Hill Rural City Council (Council) developed its Municipal Early-Middle Years Plan (MEMYP). Since then, the Plan has worked to improve the wellbeing, health, educational and developmental outcomes of all children aged 0-12 years in the Swan Hill municipality. In fact, 1,200 people fed their ideas into the Plan – you may have been one of them!

In the years since the Municipal Early-Middle Years Plan Council has worked to understand the needs of individual communities and areas across the municipality including the Woorinen and Manangatang areas (2021-2022) and most recently Robinvale and surrounds (2023).

Council is now focussing on hearing from the Swan Hill and surrounding communities through the Swan Hill Early Years Services Consultation which will take place through to August 2024.

At Council we want to better understand what early years services are needed and what should be included in a Children and Family Hub with the Maternal and Child Health service. BUT we also understand that Swan Hill CITY is growing and many of our smaller communities come here for important services and supports too.

So, whether you live in or around Swan Hill, or you come to Swan Hill for services we need to hear from you. Please help us plan for the future so we can get this right for ALL our children, families and communities.

To share your ideas, experiences and knowledge please complete the short survey by scanning the QR code or using the link. You can then go into the draw to win 1 of 5 x \$50 gift cards.

Thank you to our generous families that have been donating their **Container Deposit Scheme** refunds directly to our Science program. We can't wait to start seeing this money being used for additional resources for our students. In order to donate your refunds to the school, all you have to do is present the barcode to the left when you take in your cans, bottles and cartons.
